This Is The...third week that we have had a parable of a vineyard. It seems that this week's vineyard was like share cropping. When the landowner sent servants to get his share of the produce, they were treated badly and one was killed. He sent a second set of servants and they were also treated badly. Finally, he sent his son and those who leased the vineyard killed him. Clearly this is a parable that foresees what will happen to God's Son. The Chosen People were the Israelites. They were given the Promised Land and also the Ten Commandments. But, it seems that time after time they failed to live up to God's expectations. Then Jesus enters the scene and He is seen as a threat and ultimately we have Crucifixion. How does this affect us? Well, we were given a new chance by the Resurrection and Ascension. The open Gates of Heaven and eternal life were a gift. We, too, are given a commandment—"Love God and Love Others." When we tune in the nightly news, we hear about wars. When we look around we see our earth being treated badly with global warming, littering and a lack of recycling. We are given each other and this earthly vineyard. Can we treat one another and our vineyard better?—*Autumn Blessings!!!*

The Harvest Is Great, Laborers Are Few. Pray for many more vocations to the Priesthood and Religious Life. Taking the vocation crucifix this week—Mike & Brenda Dobias. Week of Oct. 15—Jim & Rosemary Ketteler.
