**As We Return To...** Ordinary Time, we pause to recall and celebrate a core belief of our faith—the Feast of the Holy Trinity. Our faith tells us that over the years God revealed Himself in three ways—Father-Creator, the Son who walked among us, and the Holy Spirit who lives within us and who drives us. We can talk about and describe the Trinity, but yet, we will never fully understand. The not being able to understand is really where our faith enters in. But perhaps, the real question is: Why did God reveal Himself to us? We know that we surely do not deserve this. Thus, we can only conclude that God revealed Himself to us because He loves us and He cares for us. This, then, makes us most special! Do we see ourselves as special? Do we see others as special? As we return to Ordinary Time, we need to ponder the doctrine of the Holy Trinity and as we are doing our ordinary tasks, we walk in an extraordinary way as we journey on. God's Blessings!
