In Our Reading... from the Acts of the Apostles, we learn that Paul and Barnabas had been in several cities. We also learn that they had made a “considerable number of disciples.” Before they moved on to another place, “they made elders for them in each Church.” They also told others that they opened the door of faith to the Gentiles. In our Gospel, we learn that Jesus told His disciples: “My children I will be with you only a little while longer.” At this time of the year it seems that many people will be saying that. With school out and seniors graduating, this will happen. With summer weddings, we will find people beginning their married life. As our friends move on, we pray that they will be taking many, many happy memories with them. Continued Easter Blessings!
