Thank You... to everyone who helped in any way for the BRAN supper. It was a fantastic evening! The riders were very complimentary of the food, the service, the center, and the community. We made quite an impression on them! Many stated it was the best meal they had since they left home, others couldn't believe the variety of sauces, salads & desserts. They were very surprised that we had ziplock bags for them to take anything they wished with them...you mean we can take MORE!!! We even found recipes for those who asked. The Altar Society is a wonderful example of one group helping another. Thank you for your time & cooking talent! Cindy Kubik, President
