Who we are...

St. Mary's School has been a cornerstone of education in Ontario County since it was founded in 1849. We exist to integrate faith with the student's social, intellectual, and physical development. As a ministry of the Roman Catholic Church, we partner with parents and our community to provide the highest quality faith-based education. The legacy of St. Mary's is witnessed in the many graduates who continue to lend support and allegiance to the place where they spent their formative years. We live by our creed, **Faith in Every Student.**
