

YOUTH RALLY
AND MASS FOR
LIFE

PRO=LIFE
ART CONTEST

The Roman Catholic Archdiocese of Washington will be hosting the first annual Pro-Life Art Contest! Youth are invited to share projects in any of the following three categories:

PROTEST ART:

Help us to design posters for next year's Youth Rally! Submissions should share a pro-life message that is clear, easy to understand, and respectful of all people. The winning project will be shared at next year's event.

VISUAL ART:

We would like to find a beautiful and poignant image to share during the Youth Rally. Please submit any photography or visual art that shows the importance of the pro-life movement. The winning project will be displayed during the Moment of Silence and Prayer for Lives Lost From Abortion.

VIDEO ART:

Please submit a short (20 second) video explaining why you represent the pro-life movement. In addition to an email submission, you can also post your video on social media using the hashtag #iStand4Life.

Submit your art by email to prolife@adw.org by midnight on January 1, 2022.

We welcome submissions from any youth ages 13-18 in the United States.
