

The Fund

for

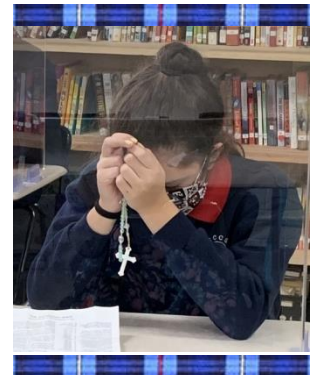

Corpus Christi Catholic School

Dear Friend,

The theme for our school year, 'Transforming Learning for Student Success', takes on extraordinary significance as customary learning has been 'transformed' for the safety and well-being of Corpus Christi Catholic School scholars and staff in response to CDC guidelines. We remain passionate throughout the pandemic to our mission of ensuring that all students receive a strong, well rounded, academic and faith foundation. Our integrated S.T.R.E.A.M - Science, Technology, Religion, Engineering, the Arts, and Mathematics - program delivers a rigorous and engaging academic platform that celebrates, develops, and aspires to meet the needs of our learners.

Our faculty works tirelessly to be able to simultaneously provide in person and at home learners with the best possible learning experiences. New safety measures include social distancing and screening protocols, plexiglass for student and teacher desks, campus deep cleaning, hiring a full-time cleaning staff to ensure continuous sanitization, PPE purchases, and sanitization stations installed in classrooms and throughout the school.

We have a wonderfully supportive and caring community of teachers, parents, alumni, grandparents, parishioners and friends along with a strong history of giving in support of *The Fund*. Our largest donor-lead campaign, *The Fund*, enables us to close the approximate \$2,000 gap between the tuition and full cost to educate each CCCS student. Gifts to *The Fund* support technology, learning platforms, teacher salaries and professional development to ensure necessary resources and to provide what our students need to achieve academic success.

Our goal for *The Fund* is to raise \$150,000. Corpus Christi Catholic School is committed to providing the opportunity of a Catholic education for all families who want their children to be guided through faith, learning, and leadership. Your consideration of a donation is greatly appreciated.

YOUR contributions to THE FUND will be matched, up to \$10,000! Thanks to an anonymous donor, matching funds will help offset COVID-19 expenses. #InThisTogether

Your investment in the academics, values and faith formation of our students at Corpus Christi Catholic School ensures our graduates will be faith-filled servants who will lead with confidence, empathy, and creatively solve problems. For over 60 years, we have continued our mission and YOUR support of *The Fund for Corpus Christi Catholic School* makes it possible. Thank you for your support, prayers, and for partnering with us so that we can continue to transform learning.
