

November 19, 2020

Parents,

To say that 2020 has been a crazy year is an understatement. Our kids, along with all of us and our teachers, have endured endless "adjustments" for at least the last eight months. While we are still standing together amid COVID-19, I would like to take a moment to be thankful for our children, teachers, and our amazing Corpus Christi Catholic School community.

While we trudged forward in this great unknown, our teachers, staff, and administrators have led our children back to school safely. Their determination to return our children to some sort of normalcy has been nothing short of heroic. I know that all of us are grateful for this gift.

I come to you, now, with an opportunity to voluntarily contribute to the Corpus Christi Catholic School Christmas fund. This holiday season will look different for our school. We will miss our sweet children performing in the annual Christmas performance. We will miss our class Christmas parties, sweet well wishes, and gifts exchanges in our classrooms. However, we still have the opportunity to pass along our thanks to our teachers and school staff.

The Parent School Organization (PSO) is organizing a school-wide contribution for our teachers and staff for Christmas. I know that many of you will embrace the spirit of giving, despite the challenging year that we have survived together. If you would like to donate, please access the Christmas Fund link in RenWeb (in the same section as the COVID screening form) by December 14. All proceeds will be split amongst the teachers and staff for a wonderful heartfelt thank you for their dedication to our children. The PSO will also be organizing a Christmas luncheon (socially distanced). I know that we will make this an unforgettable year!

Thank you in advance for your generosity!
