## THE THIRTY-THIRD SUNDAY IN ORDINARY TIME

*Gospel according to Mathew 25:21*

**A Stewardship Moment:** In today's Gospel, Jesus delivers the parable of the talents; using the example of money, rather than abilities or skills. It's a story about investments, risks and returns. Stewards understand that God has given them an abundance of spiritual gifts. They know God doesn't want them to simply receive these blessings and bury them in fear, but to multiply them; to use these gifts to serve Him and others; to spread Christ's Good News; to go and make disciples of others. Good stewards invest what God has given them in the service of others and are prepared to render an account when the Lord returns. Reflect this week on how you are returning your own God-given gifts back to God with increase.
