Catholic Scouting Religious Emblems

Religious awards are offered as part of the catechetical program of the Church. In earning awards, scouts explore their faith in relationship to God, Church, family and friends in a scouting context. The primary awards are earned by completing projects outlined in awards booklets. Award medals are presented to scouts at the annual Catholic Scouting Awards Ceremony or in their parishes. There are also many patches available for learning about different saints, works of mercy, prayers, etc. Nomination forms are available for Adult Recognition Awards for meritorious service. Booklets, patches, and awards can be ordered at <http://sfarchdiocese.org/youthministry>. **Applications are due by January 13, 2020** if you'd like to receive your award at the Archdiocesan Catholic Scouting Awards Ceremony. **Religious Programs Training** will be held September 11, 2019, 7-8:30pm in the Diocese of San Jose. Location to be announced. Please contact Patricia Cuadros for more info at 408-674-7823 or patricia-c@usa.net. To become a **BSA Religious Emblems Coordinator**, please contact Fr. Senic Cirera for training at 415-421-3730 or dinky6289@yahoo.com.
