***“Come, all you who are thirsty, come to the waters; and you who have no money, come, buy and eat! Come, buy wine and milk without money and without cost.” - Isaiah 55***

We are not alone!

God is love, compassion, companionship and generosity itself and  
Love will not rest until the beloved is well.

The most important invitation we will ever receive  
is that of being in relationship with the Source of love itself.

This day is for you and it focuses on God’s desire to draw near and offer the gift of God’s own being to each of us. This is the good news of the Gospel and the good news we are called to inhabit and to share with others. This experiential workshop focuses on God’s generous invitation for the renewal of our body, mind, heart, and spirit.
