

Summer Reading Assignment for incoming 8th Graders 2021-2022

Please choose one book from this list.

When You Trap a Tiger by Tae Keller

As Brave as You by Jason Reynolds

The Stars Beneath Our Feet by David Barclay Moore

As you are reading, find 12 quotes in the book that relate to the main ideas, characters or themes of the book. The quotes should be from different parts of the book, ideally 1 per chapter.

As you choose the quote, complete the graphic organizer on the next page for the book you choose. Bring the book and the completed graphic organizer to school in August. Be prepared to discuss what quotes you chose and what you wrote about those quotes. An example is shown below.

I am looking for insight and drawing connections, not summarizing. Show me what you can do!

Example:

The Lightning Thief by Rick Riordan

Chapter 19 p. 317	“They had done nothing but save me, over and over, and now they wanted to sacrifice their lives for my mom.”	Percy realizes how much his friends have done for him over the course of his quest. Grover has dedicated himself to protecting Percy as his keeper and Annabeth used her wits and cleverness time and time again to get them out of sticky situations. Their help has been essential to Percy’s success, and this quote shows the theme of friendship in this novel.
