## **Southern Wisconsin Catholic Grade School Athletic League Philosophy**

The Southern Wisconsin Catholic Grade School League (SWCGSL) athletic program is designed to promote sound physical, psychological, and social development of the athletes in an atmosphere of Christian values:

- A. Physically – by teaching sport skills, physical conditioning, and good health habits.
- B. Psychologically – by teaching discipline, dedication, leadership, and selfcontrol: by nurturing selfesteem.
- C. Socially – by teaching cooperation and competition tempered by good sportsmanship.

It is our belief that you, as an athlete, must understand that your first and foremost responsibility lies in your academic success. Your participation in athletics should be a PART of the total education experience you receive at your school. Becoming involved in the Athletic program at your school should be considered a privilege, extended to students/parents who are willing to accept certain responsibilities.

We ask that parents, coaches and athletes read this Handbook and sign all forms attached. In signing these forms, you will be expected to follow all procedures and standards set forth in the following pages. Any infraction of these rules may result in the athlete's removal from athletic involvement at your home school.

1. Display a Christian attitude both on and off the field/court.
2. Parents, coaches, and athletes must display proper respect for authority figures, including teachers, other coaches, officials and members of the opposing teams.
3. Display a spirit of cooperation and outstanding sportsmanship.
4. An athlete and coach should be wellgroomed and dress with special care when attending an athletic contest at home or away. The athlete and coach are representatives of our school and therefore, must take pride in his/her personal appearance.

1. Students participating in a sport will usually play on their respective grade level, as follows:
  - A. When the school supports only one team, the team may be made up of various grade levels.

#### PARENT/SPECTATOR CODE OF CONDUCT

- A. Unsportsmanlike conduct has absolutely no place in the kind of environment desired at all athletic events in which SWCGSL participates.
- B. Parents should remember: Children have more need for example than criticism.
- C. Be courteous to your child's coach and to officials. The coach is a volunteer giving personal time to provide an athletic activity for your child. Failure to abide by this may result in suspension of participation at future athletic events for both parent and athlete.
- D. Do not openly question the judgment or honor of the referee. The referee is a symbol of fair play, integrity, and sportsmanship.
- E. Accept the results of each game. Although we compete to win, encourage the children to be gracious in victory, and turn defeat to victory by working towards improvement.
- F. Criticism and disrespect for officials by over anxious or over protective parents bent on immediate success rather than long range benefits undermines the purpose of sports and brings into the game stresses beyond those of wholesome competition.
- G. Please remember that athletics is a privilege. Parents are responsible for their student's academic progress. It is the parent's responsibility to determine whether a student with marginal academic performance should continue to participate in the athletic program subject to the eligibility requirements of the school.
- H. Parents and spectators are expected to exhibit good sportsmanship at all times. No child is permitted at athletic events without adult supervision. Unsupervised children will have their parents called to pick them up.
- I. A parent or spectator may be asked to leave the athletic contest by the Principal, Athletic Director, coach, Member of the School Athletic Board and/or referee, if any unsportsmanlike conduct is observed. Parents are also subject to suspension from participation and attendance at future athletic events due to violation of the rules of sportsmanship, good conduct, and the Rules/Regulations described in this

## Athletic Handbook.

### PARENT COMMUNICATION PROCESS

If a parent has a grievance with the coach, the parent should first speak to the coach directly at a prescheduled time BEFORE or AFTER a practice; NEVER before or after a game. If the matter is not settled satisfactorily, the parent should then contact the Athletic Director in writing. If a satisfactory conclusion is not reached after a consultation with the A.D., the matter shall be referred to the Principal.

### COACHES

#### HOW TO APPLY FOR A COACHING POSITION

All persons interested in applying for a coaching position may obtain an application form from the school office. To be considered, applications must be submitted at least one month prior to the start of practice for each sport.

After completing, the form should be submitted to the Athletic Director. The A.D. shall select the head and assistant coaches for the respective sports subject to the approval of the principal.

A qualified nonparent may be asked by the Athletic Director to assume the head coaching position for all sports at all levels of play.

All head coaches will be evaluated yearly by the A.D. in consultation with the appropriate Athletic Committee members.

The head coach should only hold the head coaching position for two years with the same group of players. The A.D./Principal can make exceptions based on the availability of qualified coaches and coaching performance. All coaches' appointments will be evaluated yearly.

In an effort to ensure consistent and fair operations of the athletic programs, we ask that every coach keep a copy of this handbook with them at all practices and games and abide by the rules stated therein.

All coaches must complete the training "Protecting God's Children" as required by both the Diocese of Madison and Rockford and pass a background check by the State of Wisconsin or Illinois as appropriate.

Step 2: If the offense is repeated, the Principal may suspend the coach from one day to two weeks, depending on the situation.

Step 3: If the offense is repeated, the coaching appointment may be terminated.

19. The coach will answer directly to the A.D. who will in turn answer to the Principal. Any problems or concerns should be handled by the Athletic Director first.
20. No keys should be distributed to students at any

time. TERMINATION OF COACHES

It should be noted that if a coach were not in accordance with the coaching philosophy of SWCGSL, the coaching agreement would be terminated. The following grounds are also subject for termination:

- a criminal record. All coaches must have a current background check on file with the school office.
- physical or verbal abuse of any kind.
- usage or possession of illegal drugs.
- usage of foul language.
- drinking of alcoholic beverages while representing SWCGSL in the coaching capacity.
- setting a bad example for players at practices and/or games.
- permitting practices or games to proceed without adult supervision.

## CROSS COUNTRY RULES

This statement of ten principles about how to conduct cross country meets expresses the shared understanding among coaches whose teams regularly participate in Janesville area meets for elementary and middle school runners.

1. Meets are for boys and girls in grades four through eight. No one shall compete in any race except the race designated for runners of his/her grade and gender. NOTE: At the St. Paul's Lutheran Flames Invitational meet, fourth grade runners are invited to compete in races for fifth graders.
2. Race distances shall be determined by the host institution and announced in materials that are distributed to all invited teams prior to the day of the meet. Boys and girls in grades four through six run one mile. Boys and girls in grades seven and eight run one mile or one and a half miles.
3. Host institutions shall determine the number of races to be run at a meet. Races combine the following divisions: (a) fourth grade boys and girls; (b) fifth and six grade girls; (c) fifth and sixth grade boys; (d) seventh and eighth grade girls; and (e) seventh and eighth grade boys. At the Midwest Invitational meet, boys and girls in grades four through eight run together in a single race.
4. Races that include runners in more than one division of grade or gender do not preclude separate scoring for each division. Host institutions shall determine the method of scoring for their own meets, as well as the number and type of individual and team awards to be distributed
5. Host institutions shall decide which teams to invite to its meet. NOTE: Midwest Invitational meet directors have traditionally assigned to one coach among the Janesville area elementary and middle school coaches the responsibility to determine what teams shall be invited to compete in that meet.
6. Entry fee is to be determined by individual schools (may charge per team or per athlete) Host institutions shall exercise good judgment in deciding whether to cancel a meet because of inclement weather. A reasonable guide can be found in the policy of many youth sports organizations that (a) require a stop to all competition if officials see lightning or hear thunder, and (b) do not permit the resumption of competition until 20 minutes after officials see lightning or hear thunder. Procedures for announcing the cancellation of a meet prior to its scheduled start are at the discretion

of the host institution, as are the arrangements for rescheduling a meet.

7. Host institutions shall inspect, measure and mark their race course(s). Various coaches have supplies and equipment to share, including directional flags—yellow for right turns, red for left turns, and blue for “straightaways.”
8. During a race, no coach, teammate, parent or spectator may go alongside a runner for more than a few paces (i.e., no pacing). If the host institution provides someone on foot or vehicle to lead runners through the course, this person will maintain an adequate lead in front of any runners.
9. A typical season consists of six or seven meets. A preseason meeting may be held to determine the schedule of meets and the first day of practice.
10. No spikes allowed. (Effective 201213 season).
