Men's ACTS Retreat in La Grange

Queen of the Holy Rosary Church in La Grange will be hosting a men's ACTS Retreat on September 19 – 22, 2019. Please contact Ben Klotz for more information.

Take a Time Out from Daily Life

Sometimes we need a time out because things are not going well, or because we are worn out and exhausted, or because we need guidance. A retreat can be that time out. After a retreat we are refocused, refreshed, and ready to re-enter life. You are invited to take time out and go on a retreat with your fellow parishioners.

Retreats are scheduled at the Holy Name Passionist Retreat Center in Houston for the women and men of Immaculate Conception and Sts. Peter and Paul parishes.

The women's retreat is February 21 – 23, 2020. Please contact Susan Huff for information.

The men's retreat is January 17 – 19, 2020. Please contact Christophe Gay or Mark Husband for information.

Or you can visit "www.holynameretreatcenter.com" for details.

Using Our Time Wisely

A jar of honey lasts practically forever. The oldest jar of honey ever discovered was over five thousand years old. Honey is quite different from market-fresh produce, then; because most fruits and vegetables last only a few days, we treat them carefully. At this time of summer, we rush to find recipes for cherries and cucumbers so we won't waste a single one. We would not feel that same urgency about honey.

In our own way, we are as delightful and fragile as ripe produce. Today's readings urge us not to spoil, but to make good use of our limited time on earth. Ecclesiastes reminds us that because God provides for us now and always, we can manage our daily affairs without anxiety. Saint Paul encourages the Colossians to keep thoughts of heaven in everything they do, and Jesus himself asks us to treasure not earthly wealth, but God alone.

Treasures from Our Tradition

Apart from the period from Thanksgiving through Christmas, the summer is a favored time for family reunions. We trace family trees and recall our origins. Worship has a family tree as well, and the way we celebrate today has been influenced by various styles and customs through the centuries. We are Western Christians of the Latin Rite. By far, we are the most numerous Western Christians, but there are other ritual families as well. The Archdiocese of Milan in Italy follows the Ambrosian Rite, Toledo in Spain preserves the Mozarabic Rite and the Arab language, and Lyons in France is home to the Gallican Rite. Other liturgical families, such as the Celtic in Ireland and the Sarum in England, faded away after the Reformation. Until recent times, members of some ancient religious orders such as Carmelites and Trappists followed a pattern of Mass that varied slightly from the plan observed in Latin Rite parishes.

Is not the Catholic Church the same everywhere? Not at all. It never has been! The existence of so many liturgical families in the West reminds us that unity, not uniformity, is what the Church seeks to achieve among her children. We are united in faith, but wonderfully diverse in rituals, ceremonies, languages, customs, and spirituality.
