Three Ingredients for Powerful Prayer

During Lent, we try to bring ourselves closer to God. A close, loving relationship with God depends on a rich prayer life. Ingredients of a strong prayer life can include a Scripture reading, quiet meditation and expectation.

Mediate on Scripture each morning on a Bible verse that speaks to you and carry it with you all day.

Listen in Silence for 15 minutes to what God wants your heart to know.

Wait in Positive Expectation for what God, who loves us and wants the best for us, has planned for us.

CORVID 19

In today's Communication Folder, there is information on how to talk to your children about CORVID 19 (Coronavirus)

Three weeks ago, when the stomach bug was going through our school, I had the cleaners sanitized all areas including railings, doorknobs, water fountains, and light switches. Last Friday Mr. Carbonar and I meet again with our cleaning service to review sanitizing the school, which they did over the weekend and will continue to do during the week. The teachers clean desks with disinfecting wipes each night.

At this time, there are no plans to close school, however we receive regular updates from the PA Department of Health and will continue to monitor the situation.

Cyber Safety and Bullying

On Monday evening, March 16, 2020, at 6:30pm, in the school hall, the Delaware County District Attorney's Office will present a program for parents on Cyber Safety and Bullying. Please mark your calendars for this important presentation.

Terra Nova Testing

Terra Nova Testing will take place Friday, March 20 through Friday March 27 for grades 3-7. There is very limited time for makeup. Please do not schedule doctor/dentist appointments on these days and be sure your child arrives to school on time. The assessments begin promptly at the start of school.
