

Dear First Grade Families, June 2021

Congratulations on becoming a First Grade parent! I am looking forward to the 2021-2022 school year. It will be a great year in First Grade! We will work on building our reading and math skills. This letter includes information about reading and math summer work. There is an additional letter to indicate the supplies to purchase for the upcoming school year.

Reading and math are important skills for everyone! This summer please complete the monthly reading logs. There is a log for June, July, and August. Each time your child reads a book, or listens to a book being read, please color in a shape. For math please complete the packet. Each page focuses on a specific number.

Please make sure there is a name on each page of the summer work packets! This will help ensure your child will receive credit for their hard work. The summer work packets will be collected on the first day of school.

Additional skills to review over the summer

This is a list of additional skills that are important in first grade! Please practice them over the summer.

- Write first and last name using appropriate uppercase and lowercase letters
- Know how to tie shoes
- Know address and phone number
- Practice cutting with scissors
- Practice not using too much glue
- Know how to open snack and lunch items independently

Please email me at kmaccain@sainteugeneschool.org with any questions about the summer work and supply list!

Best,

Ms. MacCain

Dear First Grade Families, June 2021

I am very excited to get to know you and your First Grader! We are going to have a fun year. This letter indicates the supplies your child will need for First Grade. Please only purchase what is listed. There will be additional supplies purchased through the school. The cost of those items will be sent home at the beginning of the school year.

<u>Materials for Desk</u>	<u>Materials for Art</u>	<u>Materials for Classroom</u>
<ul style="list-style-type: none">● 1 small soft zip pencil case● 18 sharpened pencils● Extra erasers● Small headphones (in a bag with child's name)	<ul style="list-style-type: none">● 1 snap pencil case (5X8 in. as the largest)● Pack of 24 crayons● Glue sticks● Pack of 10 markers● Child scissors	<ul style="list-style-type: none">● Lunch box● 3 Tissue boxes with child's name (will be kept at child's desk)● 1 Ream of white printer paper● 1 Bottle of hand sanitizer (will be kept at child's desk)● Lysol Wipes● 1 pack 50 ct. brown paper lunch bags

You will need contact paper to keep at home to cover workbooks. Workbooks will be sent home during the first few weeks of school.

Please email me at kmaccain@sainteugeneschool.org with any questions about the summer work and supply list!

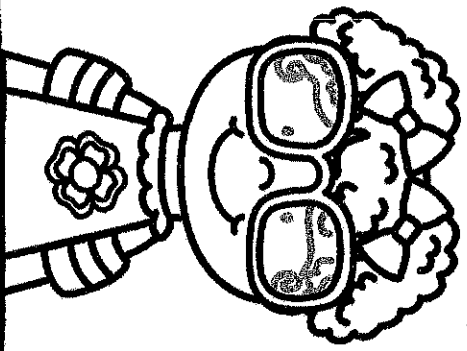

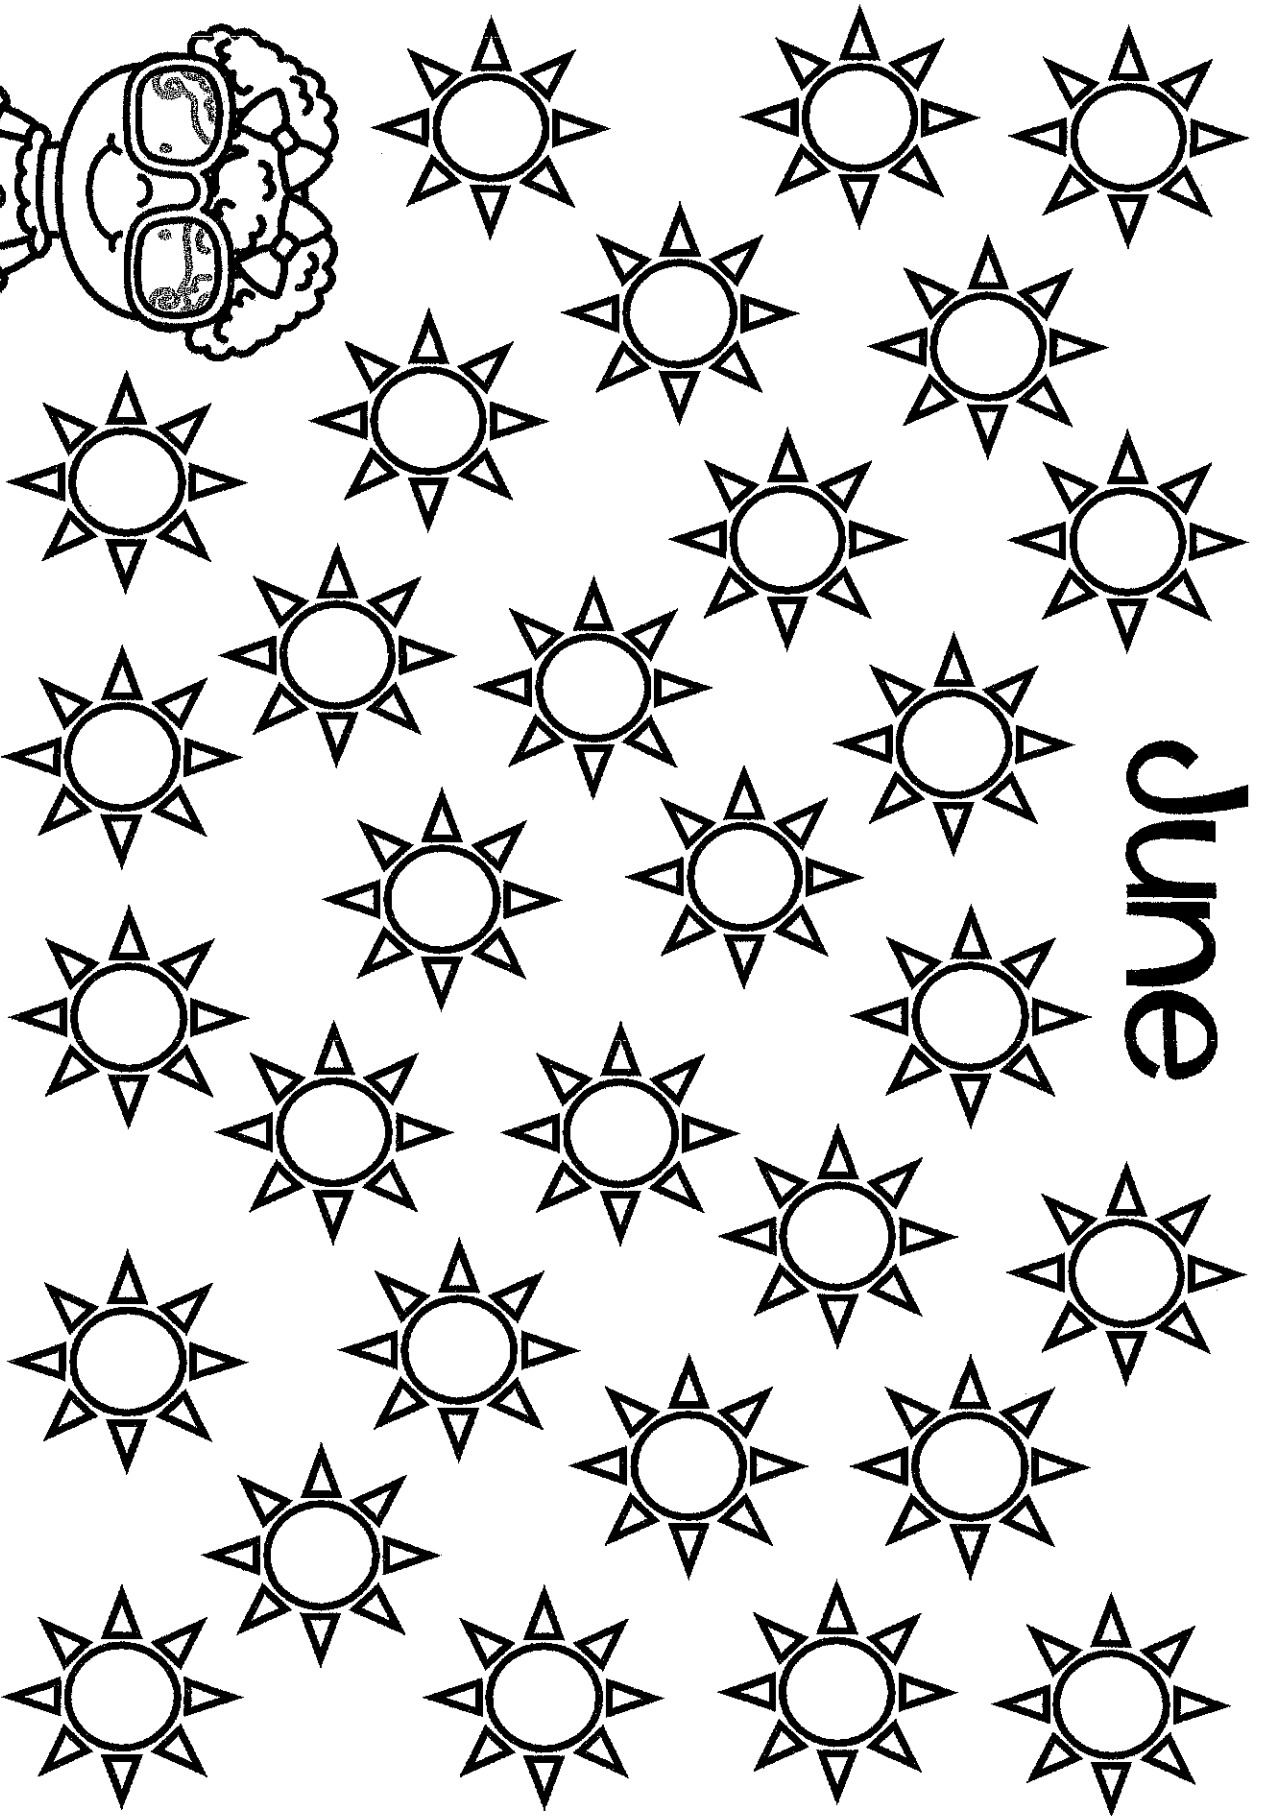

Have a great summer! I'm excited to meet all of you in the fall!

Best,

Ms. MacCain

Name: _____

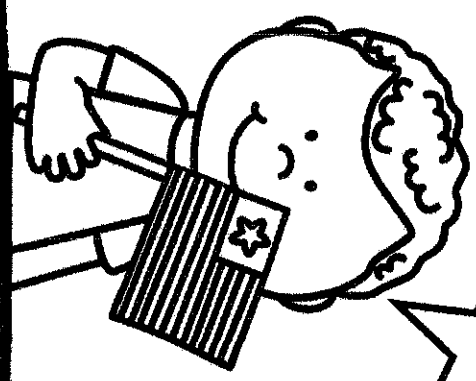

June

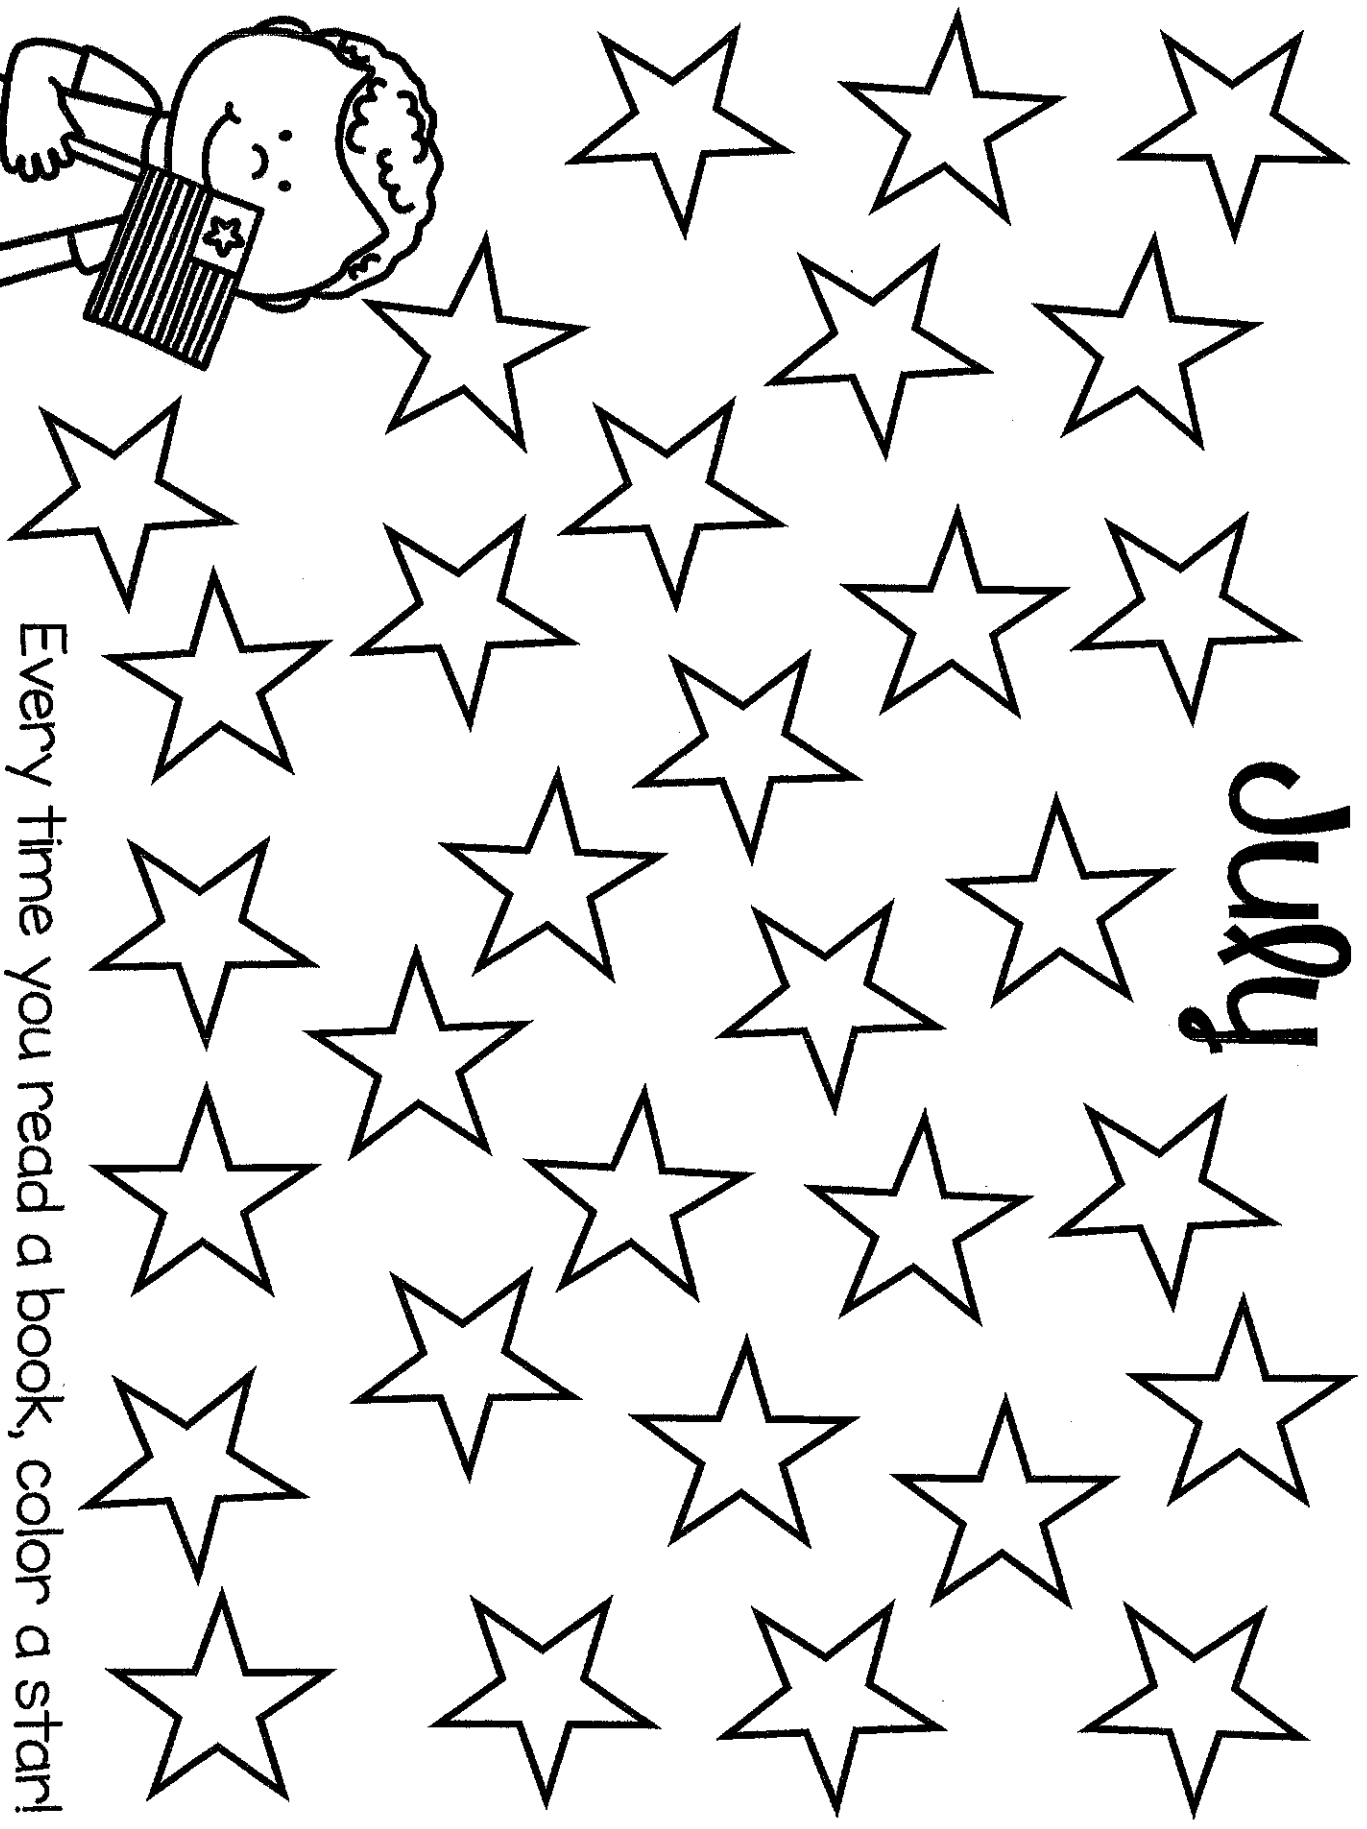

Every time you read a book, color a sun!

Name: _____

July

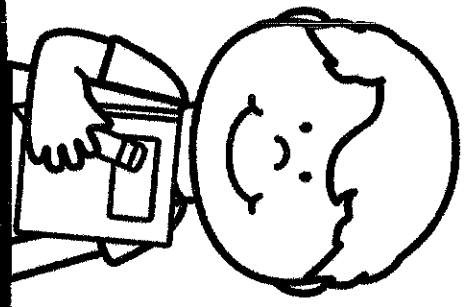

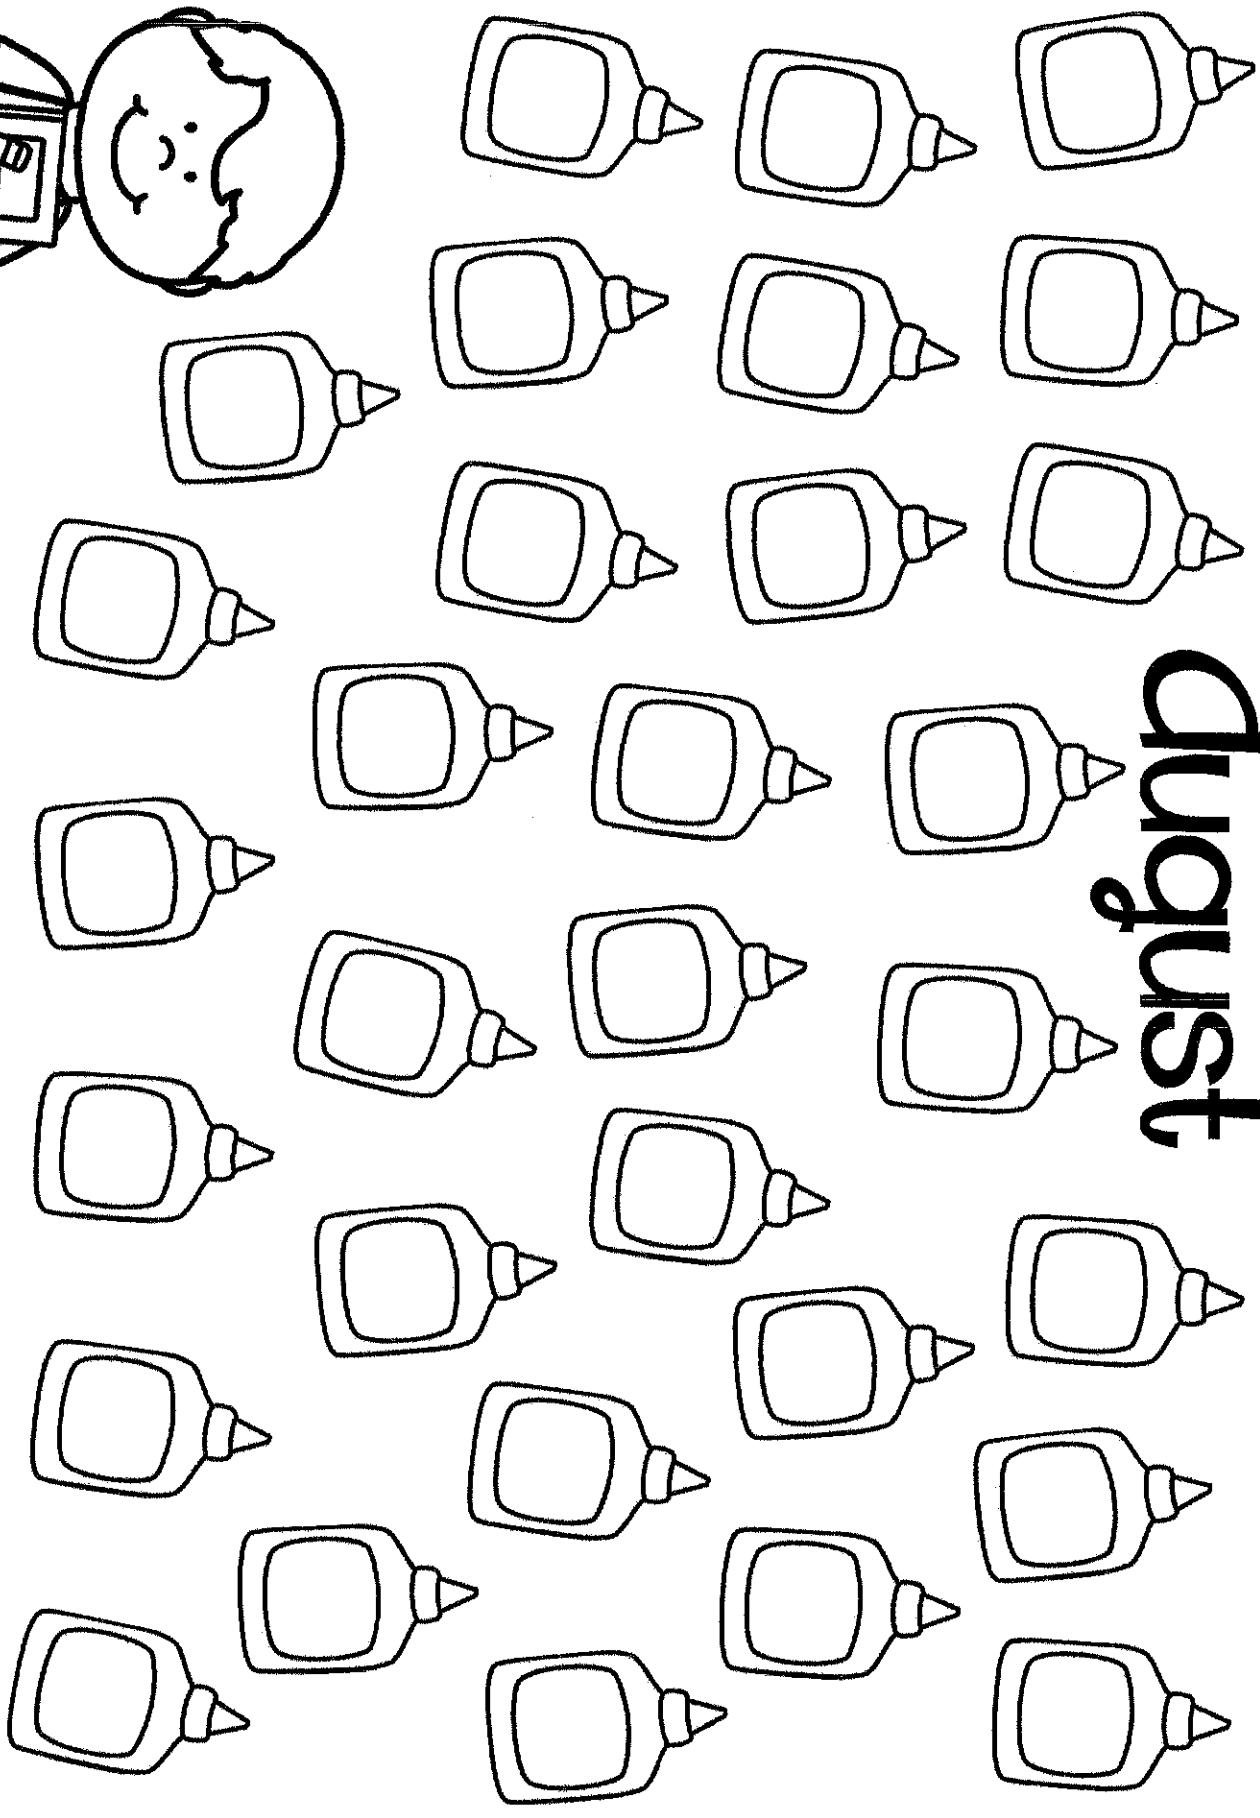

Every time you read a book, color a star!

Name: _____

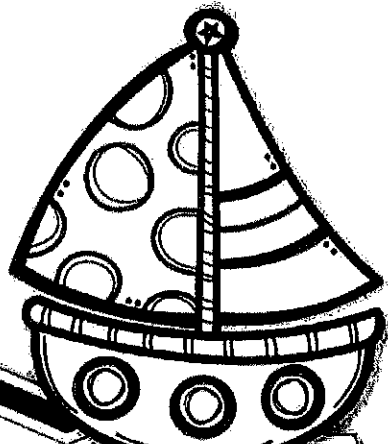

August

Every time you read a book, color a glue bottle!

DAY

①

Number of the Day

5

odd
or
even

Draw 5 tally marks.

Write the number.

Use cubes to
add:

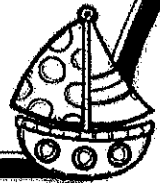

$$5 + 1 =$$

$$5 + 3 =$$

$$5 + 2 =$$

Draw five sailboats.

Write the missing numbers.

5

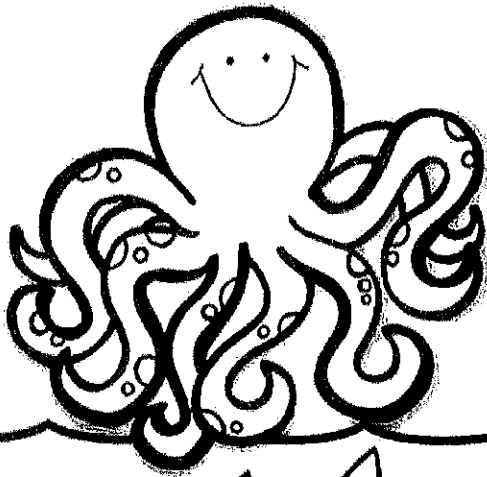

7

8

9

DAY
②

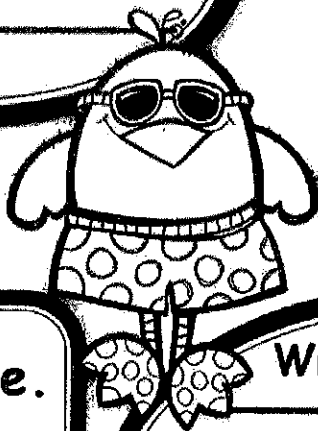

Number of the Day
20
odd
or
even

20 +  =

One more than 20 is _____
One less than 20 is _____

Use cubes to subtract:
20 - 2 =
20 - 10 =
20 - 5 =

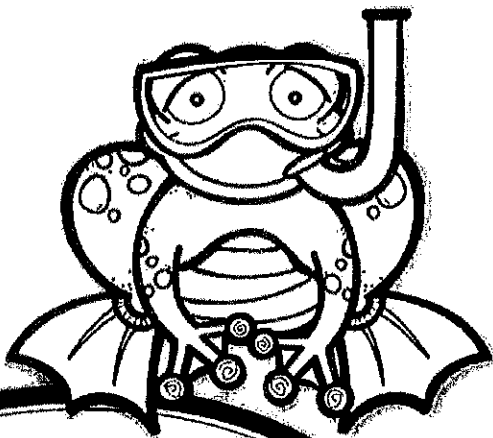

Color 10 counters blue.

○	○	○	○	○
○	○	○	○	○

Write the number.

DAY
③

Number of the Day
8
odd
or
even

Write the number.

Draw 8 tally marks.

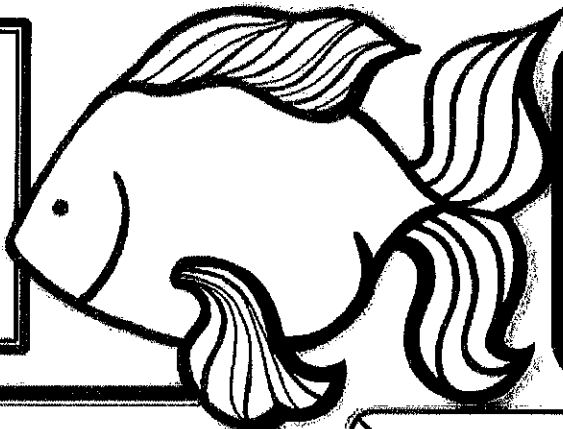

Circle the group
that has more.

Use cubes to
add.

$$8 + 2 =$$
$$8 + 1 =$$
$$8 + 3 =$$

Write the missing numbers.

DAY
④

Number of the Day
18
odd
or
even

Use cubes.
Subtract.
 $18 - 9 =$
 $18 - 4 =$
 $18 - 10 =$

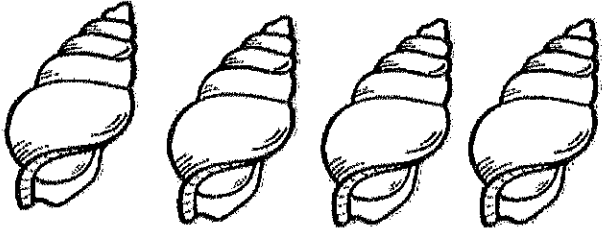

Fun in the Sun!

Complete the ten frame to make 18.

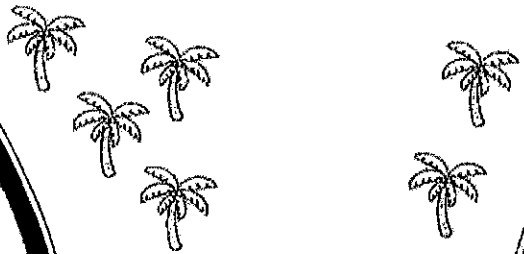

Fun in the Sun!
