

Summer Reading

Dear Parents and Guardians,

I am so excited to welcome you into the fourth grade! Incoming fourth grade students will have a summer packet mixed with math and ELA activities that need to be completed when they come back to school for the 2021-2022 school year. Along with the packet, students will be reading "Flashback Four: The Lincoln Project" written by Dan Gutman. Students will bring their copy of the story with them on the first day of school. Since this story is about students taking pictures, throughout the summer, students should take THREE pictures of different fun events that happen. They will write two sentences about each of the pictures describing what they were doing and where they were.

If you or your child have any questions over the summer, please send me an email at aleitz@sainteugeneschool.org. I hope you have a wonderful summer!

Sincerely,
Ms. Alyssa Leitz
