

Dear Parents/Guardians,

It is my pleasure to welcome your child to fifth grade! Incoming fifth grade students will need to complete a reading assignment to keep their reading skills sharp for the new school year. Students entering fifth grade are required to read "Crenshaw" by Katherine Applegate, before returning to school in September. Students will need to bring their copy of "Crenshaw" with them on the first day of school. We will be completing assignments and activities during the first week of school with this novel. I also ask that students practice their multiplication tables over the summer!

Some materials for the 2021-2022 school year will be purchased over the summer and distributed in September. The cost of the items purchased in school will be sent home at the start of the school year. Other necessary materials will need to be purchased outside of school. Please see the reverse side for these materials.

If you or your child have any questions over the summer, please email at mshirlow@sainteugeneschool.org. I hope you and your family have a wonderful and relaxing summer!

Sincerely,

Mrs. Mollie Shirlow
