Re: Nursing Services; Chapter 226 – Laws of 1991
2021-2022 School Year

Existing legislation provides certain nursing services and funding for full time students in private schools.

Included in these services, based on available state aid, is maintenance of student health records, hearing assessment, and scoliosis screening. Vision assessment and measurement of height and weight will also be done as time permits.

In addition, you child will receive emergency nursing services for illness or injury.

Please complete and return with your registration materials.
