

Schiro's is doing more to keep you healthy.

Masks will be worn by employees and customers (all children over 10) at all times.

We encourage you to shop with one adult per child.

We will only allow a limited number of customers inside at once to promote social distancing and a safe shopping environment.

All frequently touched surfaces in the store including counters, credit card machines, door handles, dressing rooms, etc. will be disinfected throughout the day.

Hand sanitizer for customers and employees is located by the front door and registers.

Try our Grab & Go Pick-Up option. Text the number and we'll meet you at the door.
