You are invited to attend our annual Seder Meal on Palm Sunday, April 5, in the cafeteria following the 4:30 p.m. Mass.

This joyous occasion reminds us of our Jewish roots in the observance of the Passover Meal, similar to the one shared by Jesus, His family and disciples. We begin with the customary Passover ceremony—music and a sample plate of the traditional Passover meal of lamb, haroset, unleavened bread and herbs. It will be interspersed with prayers and wine toasts.

Following this will be the full meal which is provided by the Parish. Each person attending is asked to donate $5 to cover the meal expenses. To ensure that there is enough food for everyone, please return the reservation form below no later than Wednesday, April 1. The Seder Meal has become a special event for our community and is a wonderful way to lead into Holy Week. We hope to see you there.
