

The Archdiocese of New Orleans is inviting you to participate in the annual day of Catholic giving on **Tuesday, December 1 (Giving Tuesday)**, a global day of giving. Secure, tax-deductible donations will be accepted on **iGiveCatholic.org** during a 24 hour period, and **St. Edward School** will be participating along with many other Catholic parishes, schools, ministries and not-for-profit organizations.

St. Edward School celebrates its **55th Anniversary** this year, and what better time to support them than by giving back through your generosity at this event. Many of us can look back to the excellent education and moral development that our sons, daughters, grandchildren or other relatives received in the past with Sister Mary de Lourdes and her faculty. Please consider donating back so that this excellent education can continue with Dr. Tom Becker and his faculty, some of whom have been here many years and some who are also former St. Edward graduates.

To donate, go to www.iGiveCatholic.org on Tuesday, December 1, from 12:01 a.m. through 11:59 p.m. You will need a credit card to donate online. The minimum donation is \$25.00. St. Edward the Confessor School will be most appreciative of any donation you can make.

Advanced giving will be available from November 16 through November 30. Be sure to check the “I’m a new donor” box, as we will receive a prize if we have the most new donors.
