

BTA Revised Uniform Policy 2018-19 Grades K-8

Purpose:

Blessed Trinity Academy has a mandatory school uniform policy. The policy reflects traditional Catholic principles, a commitment to modesty, and a learning environment free from distraction. The dress code contributes to a positive school image, respectful and disciplined conduct, and provides a level playing field free of judgment that may be a byproduct of fashion trends or socioeconomic factors. The dress code also takes safety into consideration and provides a method of quickly identifying individuals who may not have a valid reason to belong on school property.

Uniform Resources

Schoolbelles is the official vendor for BTA uniforms. There is help available for those to whom this would be a hardship. They also have discounts throughout the summer.

- *While parents may choose to purchase similar basic items from other vendors, including pants, shorts, polos, and solid color skirts and/or jumpers, the colors and look of the styles must be consistent. For example, a light blue shirt is the correct blue for uniforms, so students should not wear sky blue or turquoise shirts to school.*
