Dear Parents and Guardians:

First, I am sure that I can speak for all the principals and teachers in saying that our thoughts and prayers go out to all who are affected by Covid-19 and especially those who have contracted the virus. I hope that you and your family are doing well during this difficult time. Please know all of our students and families are in my daily prayers.

In light of Governor Wolf's latest Stay at Home order, **all NHRCES schools will now be closed until at least April 14, 2020**. Distance learning will remain in effect. We will continue to update you as more information becomes available.

The one who stayed away saved the rest...
Social distancing slows down the spread of coronavirus

Blessings,
