

# Attention BTA Skiers!

We will be headed to Seven Springs Ski Resort on Thursday, February 25th after school! We have secured a group rate for tickets. Please use the following link, group code, and password to purchase your tickets online. You will be emailed a bar code that will be scanned when you get to the resort with your order. Skiing starts at 4pm. Because of COVID, parents will be responsible for driving their children to Seven Springs as we cannot take a bus. This also means that parents will assume the responsibility for their children while at Seven Springs. BTA is simply organizing the ticket sales. Keep in mind that all students who attend the trip must be at school the following day and may not do BTA@Home (unless there is a legitimate illness.)  
**This trip is open to all BTA families.**

**Tickets are available for purchase on FEBRUARY 11th!**
