

BTA Families,

Let's start thinking about warmer weather and outdoor sports! Believe it or not, it is time to register your child/ren for BTA spring soccer and/or track & field!

To register your child/ren, you will need to complete the online Registration Form here <https://playon.com/blessed-trinity-academy-athletic-association/>. You can find all relevant information on the site relating to 2021 spring sports which include soccer and track and field. You can pay your registration fee online or send in a check. You will need to submit a physician's release form if you were not involved in fall or winter sports or if it has been longer than 12 months since your child's last exam. A uniform deposit check for \$100 is required from all participants. The check must be submitted after the registration is complete.
