Pray: "Jesus, you liked to eat meals with your friends and talk with them. Thank you for giving us friends."

Talk about when your family had a guest for dinner. Who was it? How did you get ready?

Now ask who your child would like to invite. (Help your child use imagination—encourage a far-ranging answer! What would they do with his/her guest? What would they eat?)

Using Seeds page 2, read title, and then have your child draw faces of people he/she would like at his/her party.

Then have your child draw foods that they would like on the table.

Activity:

HEA:

Using the small ABC BOOK, help your child name each letter and picture beginning with that letter.

There will be a few new words to learn. You may need to help with: page 4-ink, page 6-lark, page 7-ocelot, page 8-pump and quail, page 10-top.

Here are some questions to ask:

1. On page 2, what is pictured by the letter E? What is an envelope used for?
2. On page 5, what is pictured by the letter J? What do you do with jam?
3. On page 7, an ocelot is pictured next to the letter O. What pet animal does the ocelot look like? Would you like an ocelot for a pet? Why or why not?
4. On page 10, what is pictured by the letter U? (bug) It's next to U for "ugly" ----to describe the bug.
5. On page 12, what two animals are pictured next to the letter Z? They are next to Z because they are in a zoo.

Your child can draw a picture of something that begins with his/her favorite letter.

You may write down the "story" about the drawing that your child dictates.

Others: Let your child pick out a story for you to read. Talk about your and your child's favorite part or character.

Watch ABC/letter Y video, complete a letter Y worksheet from mailing—your choice.
