

EDP Homework Club

EDP Homework Club was developed to help the students of Saint Bede School get a start on their daily work at the end of the school day. Homework Club will run Monday through Thursday afternoons, and will take place in room 108. Fridays are generally a *no homework day*, unless otherwise specified.

We understand that homework assignments are the student's responsibility however, our caring staff is available to help answer questions and assist your child if needed. *Please note... *Any student that forgets their homework in the classrooms will **not** be allowed to retrieve it after 3pm, as is school policy.*

If you would like your child to attend Homework Club while at EDP, please fill out the form below and return it to the Extended Day Program.
