Dear Parents and Guardians,

As a junior high team of teachers, we are concerned about some students' lack of work completion. As a result, we will begin implementing after school and Saturday afternoon two-hour Academic Detention.

- Detentions are assigned if the student owes two or more missing assignments per class or is struggling with the current concepts and in need of remediation on those concepts.
- Students may be assigned to more than one detention in a week.
- Detentions are assigned two days prior to the date of the detention, by the teacher to whom they owe the assignments via email and/or a phone call.
 - Week day detentions will run from 2:45 to 4:45 P.M.
 - Saturday detentions will run from 1:00 - 3:00 P.M.
- Students must stay for the duration of the detention even if their work is completed.
- E-learning students who are assigned a detention will be given a zoom link and be expected to be present with their video on for the duration of the detention.

Sincerely,

Mrs. Colleen Schoenberger

Mrs. Elizabeth Coon

Ms. Mary Figel
