

8C Homeroom,

Welcome back to school Tater-Tots! Most importantly, welcome to my homeroom! I am so excited to work closely with you this school year and I know we are going to be the best 8th grade homeroom ever.

First- Check over your stack of books from book pick up day. You should have the following in your stack (if you do not, have your parent/guardian contact the front office immediately).

- Math textbook & workbook
- Science textbook & workbook
- Religion workbook
- Social Studies textbook
- Language Arts textbook, workbook, vocabulary book, and 2 novels
- Art Kit
- Spanish texts
- PE Letter
- Study Skills Text

Next- Review your schedule! We will begin each day with faith formation and reflections at home and independently. This is not a live-period with any of your teachers. You will then see your classes in block schedule times. Be sure to go to the Google Classroom page for each of your teachers during your designated time slots and click on the Google Meets link. This link will connect you with your teacher for class. You will have a lunch break midday and then a few more classes. Finally, at the end of the day on Monday, Tuesday, Thursday, and Friday we will meet as a homeroom for announcements and conversation. Your attendance will be recorded for each class and homeroom so be sure to keep your schedule close by!

Finally- Take a deep breath. We are going to get through this together. Remember, this is temporary and new, so we will all have to keep our faith as we embark on this journey together.

Love you all!
Mrs. Conto
