

St. Ann Pre-K Newsletter

We are off to an amazing start in our St. Ann's Pre-K for All program. The children have acclimated to coming to school, and they are following rules and routines in our busy classrooms. They are making new friends, and actively engaged in our hands-on learning experiences! This week we will be finishing up our introduction to Pre-K unit, then we will begin our first study, "Our Five Senses." We are also continuing to count and make groups and will begin to explore shapes using our Building Blocks Math Program. October will be an exciting month for Pre-K!

Reminders:

Remember to dress properly for the weather as we do play outside almost every day. Please have your child practice putting their jackets or sweaters on and off themselves as the weather starts to cool down.

Please remember to check and empty the folders daily.
