

St. Ann's Pre-K

We began our clothes study as well as worked on our math, literacy, science, social studies, art, and music skills. The highlight of our month was our Thanksgiving Keepsake Projects! It was also a pleasure meeting with you at Parent/Teacher conferences via Zoom, as we continue to work together to provide the best education for your children. As we return after the Thanksgiving break, we will continue our clothes study and we will conclude the month of December learning about holidays.
