

## St. Ann Pre-K

### Newsletter

January was an eventful month in Pre-K! We concluded our study on "Buildings" and our mini study "Pets". Both were part of "Where We Live". We learned so many valuable skills. We continued to explore numbers, shapes, letters, and their sounds, as well as some sight words and environmental print. We are beginning the new month by participating in all the fun and exciting Catholic School's Week activities as we show our school spirit and pride for St. Ann School! We will also begin with our "Transportation" study and end with "Light". Thank you all again for your flexibility and remaining vigilant in following safety rules to keep us all healthy.

#### Reminders:

#### **Home Connection Activities**

In person 5 full day students continue to work on your assignments in your notebook,

Cohorts and remote only students continue to work on your Seesaw assignments.

Continue to work on writing your name, even try your last name!

It is so important for children to know their full name, birthday, address, and phone number.

Read, Read, Read!
