

St. Ann's School Pre-K Newsletter

May 2021

We had very busy month of April. We completed our study on Reduce Reuse and Recycle. The students learned lots of important lessons on how we can all work together to keep our Earth beautiful. We have also begun our study on Plants which we will finish this week. In our last few weeks of the school year, we are going to be learning all about Transformations, starting with babies and butterflies, and moving on to how our preschoolers are becoming kindergarteners!. We are fast approaching the finish line of PreK! The next few weeks will be jam packed with fun and activities for our classes and before you know it....we'll be Moving Up to Kindergarten!

Reminders:

- 5/10 Mother's Day Zoom! Our Moms are "Virtually Amazing!"
- 5/14 12:00 Dismissal for UPK
- 5/31 NO SCHOOL for Memorial Day
- 6/18 Moving up to Kindergarten!!! Details to follow as guidelines and requirements are confirmed.

Upcoming Themes:

- Week of 5/3 - What is the Plant Life Cycle? What do plants need?
- Week of 5/10 - What do human babies need? How do babies change?
- Week of 5/17 - What can we learn about animal babies? How do animals change?
What is the Butterfly Life Cycle?
- Week of 5/24 - What other things change? How have we changed this year?
- Week of 5/31 - Getting ready for Kindergarten! How is Kindergarten like
Preschool? How do we feel about going to Kindergarten?

Home Connection Activities:

Continue working on your assignments in your notebooks and/or on Seesaw! Make sure to make identifying numbers, letters and letter sounds part of your daily routine! Look for your sight words in books, on signs and everywhere around you!
