

St. Ann Pre-K

April Newsletter

We enjoyed our light and water studies and learned so many new concepts and skills during our investigations. We have been working extremely hard on our writing, as well as learning sight words and word families. Now we move on to our next study... Reduce, Reuse and Recycle!

Reminders:

Friday, April 16th: 12:00 Dismissal for Pre-K along with the rest of the school.

Sunday, April 25th: Spring Clothing Drive! (See the Flyer)

Themes of the Week:

4/12- What do people throw away? Where does trash go? How does garbage or trash affect our community?

4/19-How can we reuse junk? How can we create less trash?

4/25-What are plants? What are the different kinds of plants?

Home Connection Activities

Continue to work in your journal and/or on Seesaw.

Practice writing your name, letters and numbers as well as cutting and pasting skills.

Read, Read, Read every day!
