Start drawing!!!

This year's CYO Christmas card event is coming up. CYO has been doing this event for quite a while now. Many students love doing this because they think it's a fun way to get into the spirit of Christmas.

First place prize is a medal and 250 dollars to donate to any charity. There are so many things you can draw such as; Santa, The Grinch, Jesus and the Nativity scene. There are many creative ways to design each card.

Last year's winner was Summer Stancampiano. She drew a picture of baby Jesus with holly all around him. Summer did an amazing job !

CYO sponsors this event to allow students to create and imagine, while getting in the spirit of Christmas. Merry Cardmas to all, and good luck!!!!.
