

# **Be a buddy on St. Valentine's Day !!!**

**By: Amy Guglielmo**

**St. Charles celebrates St. Valentine's Day!**

**On a typical Valentine's Day at school, classrooms will be decorated with tons of hearts! Classes will celebrate by bringing sweets to class. Students will exchange cards with their classmates, along with giving special treats to their teachers.**

**This Valentine's Day was extra special thanks to Mr. Kiernan. He organized a "Be a Buddy" lunchtime for all of the students. Older children buddied up with younger children and did Valentine's crafts and ate lunch together. What a great Valentine's Day it was for all of the students!**

**A special thanks to Mr. Kiernan for always teaching the students of St. Charles School how to be good to each other!**
