

# Mother Daughter Brunch

By: Emily Palladino and Shannon Meagher

February 1st was the day the unicorns came out! Girls were dressed in colorful clothes, moms by their sides, at the Unicorn themed brunch.

It was a morning filled with good food, good raffles, and of course good music. The DJ was busy dancing and singing while the kids were showing off. "I liked the DJ. He was fun. The raffles were great. I had fun with my friends," says Giada Sestito, a 6th grader who goes to Saint Charles School.

This year's event was at a new venue. Moms and daughters partied at The Vanderbilt, which is on the boardwalk in South Beach. It was a pretty place and everyone enjoyed themselves.

Our home-school president, Mrs. DiMeglio, did a wonderful job planning this event with Mrs. DiMassa, our Vice President. Along with the other mothers that helped, they made it a memorable day for all.
