

CORNER

As part of our ongoing commitment to promote and encourage all vocations within our parish family we present information each month to help develop our knowledge and understanding of each calling. This month, as we have just renewed our public commitment (with Fr. Beneteau's visit) to all vocations in our new church by praying together at the end of every mass our parish vocations prayer, we take this opportunity to also renew our individual commitments to pray for all vocations in our homes. On the Vocations Kiosks, along with information on all vocations that we encourage you to pick up and read, we also have Vocations Crosses (in velvet bags) which contain prayers and information on all vocations. We encourage you to take this vocational package home for the week and pray with the members of your household whenever possible during the week. Return the package the next Sunday so it can then rotate through as many families in the parish as possible. Praying together is such a powerful tool, as Saint Matthew says, "For where two or three are gathered together in My name, there I am in the midst of them." We continue to pray for all of you in your vocations.
