October 9, 2020

Dear St. Albert Parishioners,

We are communicating with you again because we have been informed that there are two more confirmed cases of COVID-19 at our parish. Rita Fay wanted me to inform you that she and her husband have been confirmed positive. Although she has been out of the office this week, based on when she started having symptoms, she would have been contagious while working at the office on October 1-2.

To make sure we are doing all we can to limit the spread of the virus, we continue to be in contact with the Minnesota Department of Health as well as the Archdiocese of Saint Paul and Minneapolis. We are closely following their directives.

We have extended the Parish Office closure for another week; until Monday, October 19. Also, all Faith Formation classes have been cancelled and St. Albert staff who have possibly been exposed will self-quarantine until October 19.

Considering these developments, we ask that those who may have been in the office and are feeling sick, should contact their doctor and request a COVID 19 test. Also, please be extra vigilant in your mask wearing, social distancing, and hand washing, for the foreseeable future because we now know we have active COVID-19 in the Albertville area.

We are still able to have Mass, Confessions, and Adoration at our regularly scheduled times. Mass will continue to be livestreamed to keep you connected to our parish community.

We will continue to do our best to keep you well informed.

Our Lady, Comfort of the Sick, pray for us!

Sincerely,

Fr. Brian Park

Pastor
