November 13, 2020

Dear St. Albert Parishioners,

We are communicating with you all once again as we have been informed that there is another staff member with a confirmed case of COVID-19 at our parish. This staff member was at Mass and Adoration on Tuesday morning, November 10.

To make sure we are doing all we can to limit the spread of the virus, we continue to be in contact with the Minnesota Department of Health as well as the Archdiocese of Saint Paul and Minneapolis. We are closely following their directives.

Because there was no direct contact at the time of their being contagious, we are able to keep our parish office open but considering the current situation within our community of an increase in COVID-19 cases, we encourage anyone who is feeling sick to contact your doctor and request a COVID 19 test. Please be diligent in social distancing and hand washing for the foreseeable future to prevent further spread. Remember, also, that masks are required as Mass unless you have a medical exemption.

We are still able to have Mass, Confessions, and Adoration at our regularly scheduled times. Mass will continue to be livestreamed to keep you connected to our parish community.

We will continue to do our best to keep you well informed.

Our Lady, Comfort of the Sick, pray for us!

Sincerely,

Fr. Brian Park

Pastor
