

# The Catholic Campaign for Human Development (CCHD) is the national anti-poverty program of the US Catholic Bishops.

Each year, the national collection for CCHD is used to provide grants to non-profit organizations that work to break the cycle of poverty through community or economic development projects.

The 2019 ASF collection date is November 23-24.  
Thank you for giving generously!

*NMAA* has a strong history of working to change laws and structures to protect traditional water rights in our arid ecosystem. Over the years, they have worked to change the process of how water rights are transferred from agricultural use to commercial or development use. They work to train Acequia members on their rights.

*ABQ Interfaith* is a non-partisan and non-profit organization of 15 member institutions in Bernalillo County. Institutions include churches, congregations, public/charter schools, & non-profit organizations. Focus on: Leadership Training, Public Education, Immigrant Justice, Neighborhood Safety & Preservation, & Behavioral Health.

*Heart Is Home* is a nonprofit cooperative business that advocates for the voice of family and professional caregivers and those they serve. They are a worker owned cooperative providing homemaker and personal care services to individuals in their homes.

As a coalition of faith groups, *NMFCIJ* works to educate about immigrant issues, provide compassionate services to immigrant families and to advocate for humane immigration reform that promotes family unity, and respects the inherent dignity of every person.

*Cornerstones* is a non-profit organization in Santa Fe, NM. They help communities preserve their historic structures. These structures bring the community together and connect past and present. If they disappear, that connection will be lost forever. Success is the result of the thousands of volunteer hours from community adults, elders and youth to strengthen their community, bolster cultural identity and preserve traditions. They also provide workshops to get firsthand knowledge of restoration and construction techniques both here in New Mexico and elsewhere. A significant accomplishment of Cornerstones is teaching their youth authentic traditional adobe plastering skills to help restore their communities' historical adobe missions of underserved Catholic churches.

**Local Grants:** 25% of the collection taken in our Archdiocese remains in our Diocese to fund local projects. Local "seed" grants of \$1,500-\$10,000 are available to eligible groups working with the poor to address long-term solutions. CCHD may also match grants from The Catholic Foundation. Local grants are available year-round.

**National Grants:** The remaining 75% of the collection is pooled with other Dioceses to fund larger national grants. National grants may award \$25,000-\$75,000. A "Pre-Application" to determine National grant eligibility is available September 1st until November 1st at [www.usccb.org/cchd/grants](http://www.usccb.org/cchd/grants). In addition, a portion of the national collection supports USCCB poverty awareness education and CCHD national administration.
