BLEST ARE WE FAITH & WORD *with*

NCEA ACRE **Assessment Program**

Level 1 for Grades 1–5

Level 2 for Grades 6–8

The following is a cross-reference of the **BLEST ARE WE FAITH & WORD EDITION** NCEA ACRE Assessment Program.

The basic teachings of the Catholic Church are presented at each grade level in an age-appropriate manner. This provides the students, catechists, and families with many opportunities to revisit and deepen their understanding and living of the truths of the faith yearly throughout Grades 1–8.

Introduction

Contents

RCL Benziger thanks you for the opportunity to correlate BLEST ARE WE FAITH & WORD EDITION 1–8 with your diocesan guidelines. In preparing this correlation, it became clear that the spiral-thematic approach to catechesis that is central to BLEST ARE WE FAITH & WORD Edition revealed that concepts required by the guidelines were sometimes presented earlier, sometimes presented later, and often appropriately revisited on many grade levels. To help you understand RCL Benziger’s correlation of your guidelines with the BLEST ARE WE FAITH & WORD EDITION, we would like to point out several unique qualities of the Blest Are We program.

- ❑ The structure of BLEST ARE WE FAITH & WORD EDITION is based on presenting a specific doctrinal theme each year and incorporating the four pillars of the *Catechism of the Catholic Church*. This structure applies to every level of BLEST ARE WE.
- ❑ The four pillars of the *Catechism of the Catholic Church*—the essential elements of the Catholic faith—are taught at each grade level in age-appropriate ways. This spiral-thematic approach opens the opportunity for students, catechists and families to revisit and deepen their understanding of the doctrines and practices of the Catholic faith many times throughout Blest Are We K-8.
- ❑ The nature and key concepts of Sacred Scripture are presented over the course of BLEST ARE WE FAITH & WORD EDITION Gr. 1–8. In addition to the Scripture stories and references found in every chapter of BLEST ARE WE FAITH & WORD EDITION, each grade level

features an age-appropriate presentation of Sacred Scripture designed to develop biblical literacy. This special catechetical session enables children to have a basic understanding of the Bible that is cultivated through the introductory lesson and activities.

- ❑ A special unit, Feast & Seasons, provides lessons, activities, and prayerful reflections for teaching the seasons of the liturgical year and select feast days of the Church at every grade level of BLEST ARE WE FAITH & WORD EDITION.
- ❑ The “Faith in Action” page at the end of each chapter in grades 1–6 familiarizes children with a variety of parish and school ministries and vocations. These pages appear at the end of each unit in grades 7 and 8. The purpose of the “Faith in Action” pages is to apply the basic principles of Catholic Social Teachings to parish and Church life. The “Faith in Action” feature promotes parish involvement and evangelization that reinforces the children’s sense of belonging to the Catholic Church. They enable the children to take an active role in their parish community by encouraging them to use their gifts and to participate in age-appropriate ways.
- ❑ A special section of each text, “Our Catholic Heritage” presents an age-appropriate summary of basic Catholic beliefs organized according to the four pillars of the *Catechism of the Catholic Church*. This mini-catechism complements the doctrinal content of the chapters of BLEST ARE WE. In grades 7 and 8, this section is called “Our Catholic Teachings.”
