JOIN IN THE MARCH?

Late in October 1973, grassroots pro-life leaders became concerned that January 22, 1974 might come and go without properly memorializing the Supreme Court's infamous abortion decisions and without petitioning Congress for redress.

No established Right-to-Life organization was prepared to undertake the planning, financial and operational responsibilities for a high impact pro-life March on the U.S. Capitol. But, grassroots pro-lifers wanted to march! About thirty pro-life veterans resolved themselves into a committee and began making plans for the first March for Life.

On January 22, 1974, the first March for Life was held on the West Steps of the Capitol. An estimated 20,000 committed pro-life Americans rallied that day on behalf of our pre-born brothers and sisters.

In 1974, the March for Life was incorporated as a non-profit, non-partisan, non-sectarian organization.

Our numbers have gradually risen through the years despite reduced numbers from the snow in 2000 and the terrible 9/11 attacks just months before the March 2002. These growing numbers give testimony to the increasing ranks of pro-life Americans and to the importance of the March's work.

The Marchers Keep Marching
