

June 10, 2020

Dear St Augustine Families,

For the last 3 months you have been asked to do a tremendous amount of work with your children. We realize that many of you are working a full time job as well as overseeing your child's schoolwork.

We are asking you to complete one more task!

You will be receiving a Survey from the Superintendent of Schools for the Archdiocese of NY, Michael J. Deegan and urge you to make the time to complete the Survey.

We are excited about the Survey because the results will help us better prepare for whatever September should bring. While we realize the last 3 months have not been perfect, we look forward to making School in September at SAS the very best it can be.

So, PLEASE, take a few minutes to complete the survey. It will help our teachers and administration provide and shape the best education for your child.

Again, thank you for your patience, kindness and commitment to St. Augustine School. We wish you a restful and healthy summer.

God Bless you all!

Sr. Mary Elizabeth, Principal

Debbie Fessman, Assistant Principal
