IMPORTANT SURVEY FROM SR. MARY ELIZABETH DONOGHUE, PRINCIPAL

July 23, 2010

Dear St Augustine School Parents,

As we eagerly prepare for reopening our School in September, I am reaching out to you to help us make decisions in the best interest for your student/s and family. We must insure that the plan meets the criteria for social distancing and the health and safety of our students, faculty and staff.

Please indicate your choice preference below.

Note the choice a parent makes must remain in effect thru the quarter or until a reasonable time to review the case and depending on class availability with approval from school administrators.

Parents can opt to change to full time remote learning from home at any time after communicating this choice to the principal

Child's Name _____ Grade _____

What is your preferred choice for your child? **Please select one.**

_____ My child (ren) will only participate in-person learning 5 full days in school, provided the school can safely fit all students with social distancing.

_____ I prefer 5 full days of in- person learning, but I still plan to attend **St. Augustine School** with staggered days, if that is my only choice available.

_____ My child (ren) will attend staggered days with alternating Fridays
School will assign days scheduled for the staggered days

Example: Monday / Wednesday Tuesday/ Thursday alternating Fridays

_____ I want my child to participate in full time (at home) remote learning only.
