

St. Augustine School 2020-2021

August 24, 2020

Dear Parents:

We hope everyone is enjoying their summer fun with family and friends. In these unprecedented times, planning for the 2020 – 2021 school year has been ongoing and taking further shape more each day. We hope the following information will be useful while you plan your academic calendars and mark off the dates of our fundraising events. As always, the continued support you show the children, and St. Augustine School, is enormously appreciated.

We would like to warmly welcome new families to our school. We are hoping that St. Augustine School will become for you and your children a "second home". If you have any questions about our school or fundraising events, please do not hesitate to contact the Home and School Board at homeschool@staugustine.org. In the meantime, please check online for our New Parent Survival Guide <http://www.staugustineschool.org/SurvivalGuide.pdf>.

This year, the Home & School Association consists of 6 board members who meet on a monthly basis, with Sister Mary Elizabeth and Mrs. Debbie Fessman, to implement fundraising events and ideas to benefit the children of St. Augustine School. We use the funds raised to enhance their learning environment as well as assisting funding for school improvements. If a parent wishes to attend a Home and School meeting, please contact a current board member for our meeting schedule. The first hour of the meeting is open to parents who wish to contribute ideas. The session is then closed and becomes a working meeting.

Every day at Saint Augustine School, we count on help from our parents. Our annual volunteer sheet is posted on our website, on the St. Augustine School Facebook page, and will come home on the first day of school. Please review the events and see if there is an opportunity for you to help. Information on volunteering for specific fundraisers will be sent separately by our Volunteer Coordinator, Ha Wallace.

The School Gym, Cafeteria, and Library are not currently available for use with existing Covid-19 protocol restrictions. Please do not assume that the days or dates you have had in the past will be carried over to this school year; you must have your time slot for the 2020-2021 school year confirmed. If/when we re-open calendar registration. Check the school website for updates.

The school supply list is available on the school's website:

www.staugustineschool.org. The list is organized by grade for your shopping convenience. If you took part in the Pack to School Supply sale, your order is available for pick up at used uniform sale on Sunday, August 30th from 11-1pm. If you are unable to pick up, *your supplies will be put in your child's classroom.* Please note that book socks are not allowed for any grades. They cause damage to the spine of the books.

ST. AUGUSTINE HOME AND SCHOOL BOARD MEMBERS 2020-21
