NORTHERN WESTCHESTER/
PUTNAM

ARCHDIOCESE
of NEW YORK

August 20, 2020

Dear Catholic School Communities,

We are two and a half weeks away from returning to our schools, and there is a lot of excitement, and activity going on in each and every building! There has been a lot of cleaning up, cleaning out, and minimizing of furniture and materials!

Your principals have worked long hours constructing and implementing a return plan that reflects safe practices in alignment with the CDC, NYSDOH, and the Archdiocese of New York. I have reviewed every plan very carefully, and I am confident that our schools are prepared to welcome your children back into the buildings.

Any questions regarding your school plan should be directed to the building principal.

May God bless you and your children as we move forward together in faith.

Sincerely,

Mary Jane Daley, Regional Superintendent
