

5<sup>th</sup> Grade

Summer

Reading

Assignment

( For students entering 5<sup>th</sup> grade in September)

Be sure to do an incredible job with this summer assignment, since your new fifth grade teacher will be correcting it. Be sure to show your new teacher how well you can write a book report! Remember to answer all questions carefully and completely. As always, use correct handwriting, spelling, punctuation and grammar.

Choose 3 books from the Archdiocese Reading list below. You should pick books that are interesting and challenging ( but not frustrating) for you to read.
