

Saint Bernard Mission School

Catholic Indian Mission

"Enriched by the Past, educating for the Future."

October 27, 2020

Dear Families of Saint Bernard Mission School,

We want to thank our families for the great cooperation and assistance in keeping our students and school as safe as we possibly can. Our students continue to adapt to the changes within our school very well. Students and staff are consistent with the wearing of masks, social distancing as much as possible, and washing/sanitizing hands often.

We encourage families to stay vigilant and keep standards high when it comes to protecting our loved ones from the Corona virus. We need to stay strong and stay safe. The ND Department of Health and the Center for Disease Control recommendations to slow the spread of the virus, are to social distance, wear face masks, wash/sanitize hands often, and to stay home and away from crowds as much as possible.

- Picture day is scheduled for November 3, 2020. Packets are included with this letter.
- The Ronald McDonald Dental Bus will be here the week of November 9-13, 2020. Consent forms need to be signed and returned before dental checks can be done.
- Halloween activities (individual classrooms) on Friday, October 30, 2020.

Our students, families, and our community remain in our prayers. Thank you for your support of SBMS. If you have any questions, concerns, or comments, please do not hesitate to contact the school.

Tomí Kay Phillips, Ed.D.
Principal, SBMS
